

LAKE POINTE
DENTAL GROUP

In-Office Savings Plan

At Lake Pointe, we are committed to exceptional care and the ultimate patient experience. Let this in-office savings plan keep you in the best of dental health!

Are you interested in finding a way to maintain your dental health and your family's dental care without the use of dental insurance? At Lake Pointe Dental Group we are happy to now offer an in-office savings plan for members of our patient family that qualify.

With the Lake Pointe In-Office Savings Plan, you simply pay an annual fee in lieu of dental insurance and by doing so you are able to receive a set amount of dental services for one year.

What's Included in Your Plan?

- *Two professional cleanings*
- *Two professional oral evaluations*
- *Any necessary routine radiographs*
- *10% off any other dental care provided in our office.*

In-Office Savings Plan

THE DETAILS

To qualify for this unique program, all treatment must be paid by cash, check or credit card prior to commencing treatment. If treatment is paid after the procedure is provided, the fee reduction will not apply. If 3rd party financing is required and payment is made in full before the procedure, then the fee reduction will be 5% for restorative, fixed, or removable dental care.

The program is effective for 365 days beginning on the date that the membership fee is paid. No agreed upon services will be provided outside the membership window.

This program is for Lake Pointe patient family members that do not have dental insurance.

Lake Pointe reserves the right to change or cancel the program at our discretion.

The In-Office Savings Plan is not an insurance program. It is a patient-courtesy program for those without dental insurance.
